

You are invited to become a member of the Avalon Beach Improvement Association for 2011! All property owners of lots located within the ABIA area are eligible for membership --- ABIA covers all lots from Sound to Ocean between (and including) Sportsman to Durham Street. **ABIA Members enjoy the benefits of one ocean front parking permit, one vote per household on all important Association matters, a great fall barbeque and the satisfaction of helping out their full-time or vacation community!**

The Avalon Beach Improvement area is the only community on the Outer Banks with deeded ocean and sound front properties. Your ABIA membership contribution of \$25.00 goes a long way toward protecting your own property values by enabling the community to properly maintain and insure these waterfront properties --- and you get a great personal return on your investment, too!

Just complete the form below. Mail it along with your check AND a self-addressed stamped #10 envelope (approximately 9"X 4" envelope) to the address at the bottom of the sheet. There will be no opportunity for in-person pick-up this year. Please do not to impose on the privacy of our all-volunteer Board members by attempting to pick up your permit at their homes. Thanks in advance for your consideration and cooperation!!

ABIA will have two meetings on Saturday, May 7, 2011. The first meeting will convene at 8:00 a.m. at the beach lot for the purpose of general clean-up. Please bring your own rake and/or shovel! Our Annual Business Meeting will begin at 7:00 p.m. at the KDH Town Hall --- sign-in will begin at 6:45 p.m. Items on this year's agenda will include, but are not limited to:

- A proposal to apply for a CAMA permit for the purpose of stabilizing and improving the beach lot with the addition of clay, fill dirt, etc.;
- A proposal to raise ABIA dues to \$30.00 beginning in 2012 to meet the rising cost of insurance and projected maintenance;
- A proposal to hire a professional lawn maintenance company to cut and edge the Sound Lot picnic area.

Everyone is encouraged to attend, BUT you must be an ABIA member for 2011 in order to formally comment or vote on any proposal.

PLEASE visit the ABIA website at www.AvalonBeachOBX.com and sign up for the email newsletter at the bottom of the homepage. We intend to discontinue the paper newsletter due to excessive cost. Thanks!

Sandie Markland, ABIA President
